

**MAKING YOUR WORLD A SAFER PLACE**

## New! MC110 Dealer Direct

Announcing the newly available MC110 sensing edge for counter grilles and shutters!

Enhanced end cap design extends into the guide for even greater performance and versatility.

The MC110 boasts a small profile and innovative end caps that extend into the guides offering a sleek integrated appearance that effectively blocks light and provides a true bottom seal.

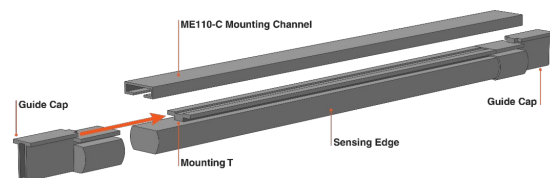

With versatile monitoring configurations including 8.2K, 10K, diode capacitor, and non-terminated, MC110 is custom manufactured to your specifications!

### Applications
