

MAKING YOUR WORLD A SAFER PLACE

ParkDoc™

Find Your Prescribed Parking Spot

Introducing ParkDoc

ParkDoc is a residential parking curb used on interior garage flooring to promote safe parking. Drivers can park their vehicles in the optimal position in their garage with ease, avoiding the risk of damage to garage doors and vehicles as well as impact with items and walls in close quarters. When vehicle tires make contact with their ParkDoc, drivers know they have reached their prescribed parking location. Made in the USA.

Note: This product is not intended for use with large commercial vehicles or forklifts.
