

**MAKING YOUR WORLD A SAFER PLACE**

## New! Photo Optic Conduit Enclosure Kit

The Photo Eye Conduit Enclosure Kit (PE-CON-K10) pairs seamlessly with TruGuard™ (TG-R-K10) and OptiGuard™ (OG-T-K10) photo optic systems.

The integrated 3/4" Type-C conduit body provides a protective pathway for wires in installations using conduit while ensuring a clear connection to operator controls. This accessory features a hood designed to provide added shielding to the photo eye from sunlight, moisture, dust, and debris. With a swivel bracket for easy alignment, the Photo Eye Conduit Enclosure Kit ensures optimal positioning of an accompanying photo eye or reflector. Elevate your safeguarding with this advanced accessory!
